

Metro Area Accredited Non-Public Schools

(area code 210 unless otherwise indicated)

Since 1986, the Texas Education Agency (TEA), through the Commissioner of Education, has recognized the accreditation responsibilities of the Texas Private School Accreditation Commission (TEPSAC) and its affiliated non-public schools and associations.

The relationship of TEPSAC with the TEA, as they relate to students and teachers, allows for the following:

- ♦ Transferability of student credits earned in accredited non-public schools to Texas public schools;
- ♦ Recognition of teacher service in accredited non-public schools for salary increment purposes in Texas public schools.

According to TEPSAC, there are 74 accredited non-public schools in the San Antonio metropolitan area. We have listed those schools here.

The Archdiocese of San Antonio maintains schools in cities other than San Antonio. Other than those listed under its name, an asterisk indicates a school of the Archdiocese.
